Our heartfelt thanks!!!!

Our Resident appreciation week was full of so much fun!!!! We would like to take this opportunity to thank each and every one of you who came out to celebrate Resident Appreciation week with us April 11, 2016 through April 15, 2016.

Each event was a special way for us to give back to you. We hope you enjoyed it as much as we did and we can't wait to do it again next year!

We would especially like to thank Mrs. Shannon Hudgins for all of her input and for faithfully volunteering to help make these events a success! Thank you, Shannon!

Resident Appreciation Week fun! Thanks for being such great residents! See you next year!!!!

Hunt Update

Military Spouse Appreciation Day

A holiday since 1984, the Friday before Mothers' Day is Military Spouse Appreciation Day. While this may get overshadowed by Mothers' Day, consider doing a little something special for those military spouses alone on this day – a call, a card, an invite to happy hour in the driveway while the kids ride bikes. Encourage kids whose military parent is away to do something – make a card, make a book to read to the parent at home, plant a flower in a decorated pot, make anything with a kid's handprint on it.

Lots to Celebrate in May!
Mothers' Day, Armed Forces Day, Graduations, Memorial Day. Enjoy time with your family and friends and the unofficial kick off to summer!

Maintenance

Summer's just around the corner! Here are a few maintenance and safety reminders:

Give your air conditioner a test run to ensure it's operating properly. Don't wait until the first scorching day! Please initiate a maintenance request if needed.

Let Mother Nature cool your home – open windows on cool mornings and evenings, close windows and shades during the heat of the day.

Summer means more outdoor activities – be on the lookout for runners, bike riders and children playing. Don't forget sunscreen and bike helmets! Watch children around water. It only takes a few seconds of inattention and a few inches of water for tragedy to happen.

Ensure grills are attended by an adult when in use. Keep grills away from homes, fences, other structures, overhangs and trees. Have a hose or fire extinguisher within reach.
