OCTOBER IS ENERGY ACTION MONTH

Get ready to power up and make a difference in our community! October is officially Energy Action Month, and we're excited to invite you to join us in taking meaningful steps towards a more sustainable and energy-efficient future.

Every small action counts, and together we can create a lasting impact on our environment and on reducing energy costs. Here are some simple yet powerful ways you can participate in Energy Action Month:

- 1) **Turn Off and Unplug:** Be mindful of turning off lights, electronics, and appliances when not in use. Unplugging chargers and devices can make a significant difference in reducing energy consumption.
- 2) **Optimize Thermostat Settings:** Adjust your thermostat to conserve energy. Lower the temperature in cooler months and raise it in warmer months to save on heating and cooling.
- 3) **Conserve Water:** Report any leaky faucets and take shorter showers. Every drop saved helps in conserving this precious resource.
- 4) **Switch to LED Lights:** Replace traditional light bulbs with energy-efficient LED bulbs. They last longer and consume less electricity.

Join us in this exciting initiative to make a lasting impact on our environment and reduce our collective carbon footprint. Together, we can create a more sustainable future for our families and generations to come. For more energy conservation tips, visit <https://www.huntmilitarycommunities.com/resident-resources>. Let's shine a light on energy efficiency and show our neighbors what we can accomplish together!

COMMUNITY ANNOUNCEMENTS

Our multi-million-dollar reinvestment project is in full swing! All homes will be touched by either a full HVAC replacement or duct cleaning. Keep an eye on your email for scheduling, followed up by a letter to your door. The project moved over to Magnolia Grove in late September and will be finishing up in both neighborhoods very soon. Quiet Pines is also set for a major plumbing renovation – we are currently planning an October start date. We will update you when we have more information!

COMMUNITY IMPROVEMENTS

We want to thank everyone for their kindness and their patience as we recover from Hurricane Idalia. It impacted us harder than we expected but our maintenance and office team have been working hard to bring us back to normal as soon as possible. If your home was affected by water and you let us know, we are tracking it. We will be in contact with you as soon as it is time for a vendor to come to your home for drywall/insulation/flooring/etc. repair. If you have any specific questions about your home, please give our office a call. If you have any work orders that are not related to water, please make sure to call us or put in a work order via the resident portal/resident app. We will get to you as soon as we can.
