COMMUNITY REMINDERS

We thank you for your continued patience and dedication in following the 2020 COVID-19 guidance and protocols over the past few months. We recognize it has been a very challenging time for all and appreciate all that you do in helping to keep our communities safe.

With the State of Georgia lifting certain business restrictions, Moody Family Housing would like to share with you our plans as we are slowly transitioning back into operation. We are taking a phased approach to resuming our operational services. We have resumed limited operational services as follows:

- While business is being conducted virtually as much as possible, we are available in the office, Monday – Friday 8AM – 5PM **BY APPOINTMENT ONLY**. To make an appointment to come to the office, please call us at (229) 333-0539.
- Amenities Update: As you may be aware, the playgrounds and dog parks are reopened. The attached waiver and release of liability, and assumption of risk form must be completed and signed by all adults in the household prior to use of any amenity. Once received, each member of your household over the age of two (2) will receive a silicone bracelet that must be worn at all times when using any amenity.

Please contact our office at 229-333-0539 with any questions.

Don't Forget! We have our Self Help Door Dash service available! If you are need of Self Help items, please call us at 229-333-0539 during business hours. A member of our maintenance team would be happy to drop off self help items at your door.
